## STUDENT TESTIMONIALS

**Puja Anand**

MUCM Student, MBBS Batch 49

I choose MUCM for my MBBS studies because of brand Manipal's reputation and legacy in medical education across the globe. We have a good blend of academics, self-improvement - PPD sessions, which are personal & professional development sessions, student clubs, and all sports facilities available to us on campus. Studying in Malaysia has given me an opportunity to interact with students from different cultures and countries which will surely benefit me in my clinical life as well.

**Jayant Ravitharan**

MUCM Student, MBBS Batch 49

MUCM has state-of-the-art Infrastructure, an electronic dissection table, dense anatomy museum, sophisticated physiology theatres, and numerous lecture theatres for clinical & pre-clinical subjects which put MUCM at the forefront of medical education. MUCM boasts of a warm and intriguing team of lecturers who follow a very streamlined approach to academics. I'm happy that I choose MUCM as it offers me the international exposure that I was looking for.
