**MASTER YOUR
FUTURE**

The Manipal heritage

The Manipal Education and Medical Group (MEMG) is a leading provider of education, research and healthcare,

The Group operates universities and medical colleges in Antigua, Dubai, Malaysia and Nepal, and its universities in India rank in the top echelon of private universities. Also, through its various professional academics, the group provides education and upskilling opportunities to executives from leading corporations and financial institutions.

The group manages 11 hospitals including 8 teaching hospitals, making it Asia's largest healthcare management group.

The Manipal Education Mantra — Achieve, Enable and Transform — builds on a legacy to create a future for every life it touches, a future that inspires achievements, enables ambitions, and transforms lives, worldwide.

International accreditation and recognition

Manipal GlobalNXT a university for the digital era

Manipal GlobalNXT University is a pioneering university that sets a standard in digital, online education. With its unique virtual classroom pedagogy, the university brings together a student community and leading faculty from across the globe.

The institution was first established in 2001 as U21Global, a joint venture involving many of the world's top 200

universities who are part of the Universitas 21 network. At the invitation of the Malaysian Ministry of Higher Education to create a world-class, technology-enabled university, Manipal GlobalNXT was formed in partnership with the Manipal Education and Healthcare Group. Today, the university is ideally placed to take forward U21 Global's original vision of global borderless education.
